Special Programs

The **Hockey Academy** (extra fee applies) is a specialized program for students in grades 8 to 12 that allows them to balance their educational requirements with the development of their hockey skills. Hockey Academy students earn credit for Physical Education and/or Advanced Hockey.

Students are tested both on and off the ice to monitor individual improvement. They also receive video analysis, fitness assessments, one-on-one reviews and player profile reports.

The **Microsoft IT Academy** (ITA) program provides students with industry-leading technology skills to help bridge the skills gap. Students receive a digital curriculum and multi-level Microsoft certifications, ranging from Specialist to Expert to Master.
